

all together

Design Kati Meyer-Brühl

Modular, flexible, uncomplicated: Use all together to create variable meeting zones that can easily be changed at any time. The upholstered elements are available in a standard size as well as in extra deep and extra wide versions. Here

a versatile arrangement consisting of a standard end element, an extra deep element, a standard-sized stool and an extra deep open-end. At the top on the right-hand side, the two middle elements have been removed. Removable covers.

Open arrangement consisting of an armchair combined with a row of seating that consists of an extra deep end element, a standard element and an extra wide element with a shorter backrest. Loose cushions with a striped pattern

provide an additional accent. This unique arrangement playfully combines an element in the shape of a right-angled trapezium, a standard element and an extra deep end element – geometry in the living room.

Differently sized elements can be combined any which way: here respectively an open-end and an extra deep as well as an extra deep and extra wide element.
