

fold out

Design Roland Meyer-Brühl

Smart concept: A slim design as well as armrests that swivel forward, coupled with adjustable backrests, make fold out surprisingly versatile and adaptable. Both seats can be adjusted separately for relaxation. The comfortable, smoothly upholstered cushions and narrow armrest pads go well with fold out's clear, streamlined contours. Lowering all rest elements completely turns fold out into a comfortable 145 x 200 cm occasional bed.
