Ground-breaking sustainability: With an economical use of resources, grace wood achieves a maximum of comfort, practicality and timeless aesthetics. Thanks to its clear, minimalist lightness, grace wood goes with any style of interior. The hand-crafted and decoratively dovetailed solid wooden base frame – available in oak or walnut – adds natural accents and is also basically indestructible. The covers are removable and replaceable. Left: grace wood low armchair, stool, high back chair. Below: Bench, grace wood lounge arm-chair.
