Bookcases

Modular bookcase resting on the floor and fixed on the wall or hanging from it, composed by columns and shelves (1 cm thickness). The depth is 30 cm. The finishes of columns and shelves can be in **V** Veneers (wood) or **T** Touch (lacquer). The columns elements, always completed with back panel, are structural and shelves are fixed to them by milled slot. Each shelf can bear weight up to 10 kg. **Possibility to use Sculptures Jeux compositions and customize your own Joint bookcase, see page 7-9, 67-75.**
