

The fresh, yet also familiar design language of the soft magnolia seating encourages you to get comfortable. The inviting U-shape is divided into vertical segments on the outside and structured on the inside by an additional stitched horizontal seam. The seating elements are surprisingly lightweight and can therefore be moved around the room flexibly. The carefully crafted covers are removable and can be replaced.

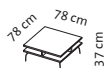

Above: A charmingly elegant arrangement created with a sofa, an add-on sofa and two decorative magnolia stools.

Left: Sophisticated featherlight seating arrangement with a matching bench as well as a decorative stool.
