

# tomo soft

Design Roland Meyer-Brühl

tomo soft is a timeless, durable home furniture classic characterised by relaxed, soft upholstery that gives the range a sophisticated yet laid-back look. The clear design language with a horizontal emphasis is adaptable and timeless. Individually customised fine fabric or high-quality leather covers make tomo soft inimitably luxurious and cosy. tomo soft's extremely variable relaxation comfort is based on fully adjustable backrests and armrests that can be folded out of the way. Optional footrests provide even more comfort. The covers are removable and can be replaced.

Bottom left: tomo soft receives you with open arms. Bottom right: a classic in sophisticated leather that will retain its value.

Soft lounging landscape for peaceful times: a light tomo soft corner arrangement consisting of a longchair that can be positioned either on the left or on the right, and an add-on sofa.
